Even if an applicant otherwise qualifies to purchase a unit, if it was not selected on the completed application received prior to the deadline above, that unit will not be eligible for lottery selection. If the unit is still available after all lottery and waitlist participants have been contacted, the applicant would be eligible to purchase the unit at that time.
- 15. Prior to the lottery, qualified applicants will receive an approval letter identifying the approved unit type(s) and entry number. To maintain privacy, this entry number, and not the applicant name(s), will be used for lottery selection.

The Lottery will be held on Friday, November 1, 2019 as described below:

- 1. Location: Town Council Chambers at the Silverthorne Town Hall, 601 Center Circle, Silverthorne, Colorado. The lottery begins at 4 p.m. MT.
- 2. Qualified applicants are welcome to attend, but attendance is not required. Lottery results will be posted live on the SCHA Facebook page. Results will also be posted on the SCHA website and the Cornerstone Real Estate Rocky Mountains website (www.SmithRanchSilverthorne.com).
- 3. If a qualified applicant requires an ADA unit, they will be given first priority for the ADA units available. If there are more applicants requiring ADA units than total available ADA units, they will be entered into a separate lottery for these units following the procedures described herein. This separate lottery will be held before the main lottery and will be limited to ADA units.
- 4. Qualified applicants will have 1-3 entries in the lottery, based on the priority criteria noted above. All entries (tickets, balls, etc.) will be placed at the same time into a receptacle, and they will be chosen at random. A numbered list of qualified applicants will be generated based on the order of the chosen entries.
- 5. The list of applicants generated by the lottery will be turned over to Cornerstone Real Estate Rocky Mountains immediately after the lottery.
- 6. In the order of the numbered list generated by the lottery, each applicant will be asked to choose an available unit identified on their approval letter. Applicants will have 24 hours from the time they are initially contacted to select a unit. Applicants are highly encouraged to be familiar with the unit mix and to have pre-selected several units that can meet their expectations.
- 7. Applicants are also highly encouraged to ensure they have provided correct contact information and are available at the time of their selection. Applicants who have not responded or made a unit selection within the 24-hour period will forfeit their initial selection, and the applicant's name will go to the end of the wait list at that point in time.
- 8. If a selected applicant chooses a unit, and later wishes to change their selection, the applicant's name will go to the end of the wait list at that point in time.
- 9. Qualified applicants selected in the lottery will have 10 days from the date of selection to return a fully executed Purchase and Sale Agreement to Cornerstone Real Estate Rocky Mountains, including the deposit of \$2,500 in earnest money to secure contract performance. Earnest money checks should be made payable to Land Title Guarantee Company. Failure to reach a contract for purchase within the allotted time frame will void that application, and the applicant's name will be removed from the list and the wait list. At such point, the unit selected by this applicant will be returned to the available unit pool and the next qualified applicant on the list generated by the lottery will be offered the purchase opportunity of the next available unit.
- 10. All applicant names will remain on the list generated by the lottery until all applicants have been contacted.

- 11. If a unit becomes available during the unit selection phase that occurs post-lottery, the current qualified applicant making a selection or any subsequent qualified applicants yet to make a selection will have the ability to select that unit. Applicants who have already selected a unit will not be eligible to select that unit.
- 12. The Town of Silverthorne and SCHA will review and certify qualifications of all applicants for the lottery. If there are any questions as to either qualifications, or prioritization for an applicant, such issues will be reviewed and determined by the Town with final approval to be granted by the Assistant Town Manager or his designee.

Post Lottery Reporting Requirements:

- 1. Cornerstone Real Estate Rocky Mountains will provide sales list status updates to the Town of Silverthorne weekly. This process will commence after the lottery list results turnover and continue until all Smith Ranch Phase 2 sales are closed and title has transferred to the new homeowners.
- 2. Updates will include status of sales contracts, reason why a sale may have fallen out of contract, or the reason why a qualified occupant was dropped from the list.
